Fitness & badminton · Hiking · Digital art & illustration · Forex markets

Aaditya Gambhir

Marketing & Sales · AI-Driven Analytics · Strategic Consulting

Profile

Business Consultancy International student at FH Wiener Neustadt with a completed bachelor's in data analysis, looking for a role in marketing, sales or consulting where data and people meet. I listen first, ask good questions and explain clearly, which is why teams often hand me the presentation. At Go Car Barcelona I worked side by side with the CEO to automate three recurring workflows with AI, which gave him back 20% of his weekly admin time. I stay with a problem until it is solved; the only variable is time.

Experience

Apr 2026 – present
ÖH FHWN (Austrian Student Union), Austria

Administrative Assistant
- Run university events by planning the logistics with every department before the day.
- Keep external partners aligned through consistent follow-up and a written record of every agreement.

Jun – Aug 2026
Go Car Barcelona, Spain

Sales & Marketing Operations Intern
- Closed 20+ new bookings by listening first and adapting the pitch to each client.
- Worked side by side with the CEO to automate 3 recurring workflows with AI, freeing 20% of his weekly admin time.
- Grew Instagram and TikTok on a 60-day calendar, planning posting time, hashtags, audio trend and hook for every post.
- Built a hotel referral channel from nothing by taking flyers to 80+ hotels and following up until we were remembered.

Jun – Nov 2022
Altegya, Netherlands (remote)

Marketing & Communications Intern
- Delivered a social media calendar on time across all platforms for 6 months, working remotely.
- Re-targeted 2 campaigns by reading their performance data first, which improved reach.

Projects

Sep – Dec 2026
FHWN course project with Henkel

Henkel Colour Catcher: Growth Strategy for Italy
- Developed my own concept, a sampling and refill model, by costing it and calculating its ROI; the Henkel mentor put it in his top 3.
- Working in a 9-person team towards a final pitch at Henkel Vienna in December.

2026
Deloitte · Boston Consulting Group

Virtual Experience Programs (Forage)
- **Deloitte** Data Analytics: analysed and visualised data in Tableau and Excel.
- **BCG** Strategy Consulting: structured problems and built frameworks from scratch.
